

11.0 Automatic transmission fluid for ZF transmission GA6HP19Z (6HP19) GA6HP26Z (6HP26) GA6HP32Z (6HP32)

Note:

The automatic transmission is supplied with lifetime lubrication. No oil change is required for the entire service life of this transmission.

If repairs have to be made to the gearbox or transmission oil cooler, use the approved lifetime oil.

Important:

Lifetime oil must not be mixed with or replaced by other ATF oils as this results in transmission malfunction.

Lifetime oil:
